About Us

At Archisa, our vision always been to develop hand crafted ornaments that distinguish lifestyle choices of our clients while exuding an aura of radiance. Archisa designs are fused to depict the contemporary caress of the west with the sensational arts of the east .

Our contemporary new 2019-20 classic collections that we take the utmost precision to create with brass , copper , iron , crystals , glass beads , hand made blown glass and wood blended together produce a sense of euphoria. The highly skilled and talented artisans take pride in their creations and treat each product that is hand designed as ' Work of Art ' .

The ability to fulfill the ever growing need for our esteemed clients in term of design requirements or the variety of finish that they are seeking allows us to be their merchant of choice. Our goal is to be able to stage spectacular surroundings with our extensive range of products of superior quality and continue to remain a cut above by offering customization assistance when required.
